REMARKS:

1. Attached is a self-explanatory request from General Karhohs. I called him to check and "1976" is not a typographical error. He wants to develop an appraisal for North Vietnamese capabilities in 1973 and then project that appraisal out over the next several years.

2. I assume the bulk of this information is in OER. We can discuss how to draft the reply to General Karhohs at the Thursday morning meeting of the Indochina Brethren.
